

# English Summer Camp

## 夏休みサマープログラム

### Fun with Colours (4-8 years olds)

| 7/21<br>(CLASSROOM/ 教室)                                                                       | 7/22<br>(OUTDOORS/ 野外)                                                                                                                                                 |
|-----------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 9:30-11:30<br>3,500円                                                                          | 9:30-11:30<br>3,500円                                                                                                                                                   |
| 色を使って英語で科学実験をしよう！<br>絵本の読み聞かせや楽しいゲームも沢山やりながら色の世界を楽しもう！                                        | 折染うちわを作り♪<br>野川公園の屋根下に集合！水遊びゲームもします！                                                                                                                                   |
|             |   |
| Experiments with colours!<br>Let's read stories and play games to enjoy the world of colours! | Let's make fans together! We will Meet at the pavilion at Nogawa park and do some water play, too!                                                                     |

### Our Wonderful Earth (7-12 years olds)

| 7/26<br>(CLASSROOM/ 教室)                                                                    | 7/27<br>(OUTDOORS/ 野外)                                                                                                                                                    |
|--------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 9:30-11:30<br>3,500円                                                                       | 9:30-11:30<br>3,500円                                                                                                                                                      |
| Let's learn about landforms with hands-on building projects, games and reading activities! | Let's collect leaves outside and create leaf printing bags!<br>We will meet under the pavilion at Nogawa park and play water games, too!                                  |
|        |   |
| 地形ってなに？<br>アートプロジェクト、ゲームそして読み物を通して学びます！                                                    | たたき染めで葉の形をエコバックにプリントしよう！<br>野川公園の屋根下に集合！<br>水遊びゲームもします！                                                                                                                   |

申込みはE-mailにて①お名前/年齢 ②参加日程 ③緊急連絡先 を記載の上お送りください♪ [englishflowergarden@gmail.com](mailto:englishflowergarden@gmail.com)

For registration, please send your child's 1.Name/age, 2. Dates of participation, 3. Contact details to [englishflowergarden@gmail.com](mailto:englishflowergarden@gmail.com)
